CHAPTER 01: EXECUTIVE ARCHITECTURE & PORTAL ENVIRONMENT

1.1 Institutional Context

Prabodhan Education Society's Vidya Prabodhini College of Commerce, Education, Computer and Management (VPCCECM), located at Vidyanagar, Alto-Parvari (Porvorim), Goa, is one of Goa's premier higher education institutions. Re-accredited by NAAC with **Grade 'A+' (3.42 CGPA)**, the college offers undergraduate and vocational programmes affiliated to **Goa University** and post-graduate study centres under **IGNOU**.

INSTITUTION NAME	NAAC ACCREDITATION
VPCCECM, Parvari-Goa	**Grade 'A+' (CGPA 3.42)**
AFFILIATING BODY	**ACADEMIC SESSION**
Goa University	**2026–2027 (Active)**

1.2 Technology Stack & Core Framework

The VPCCECM ERP Portal is built on enterprise open-source software, providing high performance, data isolation, and low operational overhead:

- **Backend Engine:** Laravel 8 LTS (PHP 8.0.30 runtime) with Model-View-Controller (MVC) architecture.
- **Database Layer:** High-reliability SQLite database (`database/database.sqlite`) with seamless migration support to MySQL/PostgreSQL.
- **UI & Design Framework:** Limitless 2.0 Responsive Administration Template powered by Bootstrap 4, jQuery, and custom CSS3.
- **Security Engine:** Bcrypt password hashing (Cost factor: 10), CSRF token verification, and granular middleware guards (`super_admin` , `admin` , `teamSA`).

1.3 Server Access & Port Configuration

The system runs locally or across the college campus intranet on port **8000**:

```
# Start Local Development & Campus Intranet Server cd "D:\Nilesh W" $env:Path = "D: ools\php8;" +
$env:Path php artisan serve --host=0.0.0.0 --port=8000
```

Access Point	URL Endpoint	Purpose
Main Login	`http://127.0.0.1:8000/login`	Universal entry point for all 7 user roles.

Access Point	URL Endpoint	Purpose
Superuser Dashboard	`http://127.0.0.1:8000/dashboard`	Executive dashboard with quick KPI cards and compliance tables.
System Settings	`http://127.0.0.1:8000/super_admin/settings`	Master configuration for institution name, fee tiers, and logos.
User Management	`http://127.0.0.1:8000/users`	CRUD interface for all user accounts across the college.

CHAPTER 02: MASTER SECURITY & ROLE-BASED ACCESS CONTROL

2.1 The 7-Tier Security Hierarchy

The ERP portal enforces strict Role-Based Access Control (RBAC). Every user belongs to exactly one user type, determining their sidebar menu, route permissions, and data visibility:

Role Code	User Type	Privilege Level	Permitted Operations
`super_admin`	**Super Administrator**	Full Root Access	All administrative tasks, system settings, database management, user impersonation, logo uploads.
`admin`	**Institutional Admin / Principal**	Executive Management	Staff management, student admissions, class structures, institutional hub, timetable approvals.
`teacher`	**Faculty / Course Instructor**	Academic Operations	Continuous mark entry (ISA/SEE), student attendance, internal assessments, syllabus tracking.
`accountant`	**Accounts & Bursary Officer**	Financial Operations	Fee tier setup, invoice creation, fee payment recording, receipt generation, financial reports.
`librarian`	**Chief Librarian**	Library Management	Book accessioning, catalogue search, issue/return circulation, fine collection, resource audit.
`student`	**Enrolled College Student**	Self-Service	View personal attendance, timetable, fee invoices, digital marksheet download, book requests.
`parent`	**Guardian / Parent**	Monitoring	View ward's progress report, fee dues, attendance percentage, and college announcements.

2.2 Seeded Master Credentials

> **Default Security Baseline**
> For initial system deployment and testing, the accounts below have been pre-configured with the default access password `cj`. Superusers are advised to update their passwords upon live campus deployment via **Top Right Profile > Account Settings**.

Designation	Name / Account Holder	Username	Email Address	Default Password
Super Administrator	**Nilesh Waradkar**	`cj`	`cj@cj.com`	`cj`

Designation	Name / Account Holder	Username	Email Address	Default Password
College Principal	Prof. (Dr.) Bhushan V. Bhave	`principal`	`principal@vidyaprabodhinicollege.edu.in`	`cj`
Examination Controller	Institutional Admin Account	`admin`	`admin@admin.com`	`cj`
Senior Faculty	Dr. Sagar P. Mali (IQAC Coordinator)	`teacher`	`teacher@teacher.com`	`cj`
Finance Officer	College Accountant	`accountant`	`accountant@accountant.com`	`cj`
Librarian	College Librarian	`librarian`	`librarian@librarian.com`	`cj`
Sample Student	Pranita Sawant (T.Y.B.Com. Ranker)	`student`	`student@student.com`	`cj`

CHAPTER 03: INSTITUTIONAL HUB & NAAC COMPLIANCE MODULES

3.1 Overview of Compliance Architecture

The VPCCECM ERP features an integrated **Institutional Hub** specifically engineered to satisfy NAAC (Criterion 1 through 7) and UGC regulatory compliance mandates. All institutional compliance repositories are accessible via the Left Sidebar under the `Institutional Hub` menu.

3.2 Module Breakdown & Master Data Repositories

1. Statutory Governance & Quality Cell (IQAC)

Endpoint: `/institutional/governance`
Houses all official governance bodies mandated by Goa University statutes and the Directorate of Higher Education (DHE):

- **Governing Council:** Apex policy-making body under Prabodhan Education Society.
- **College Development Committee (CDC / LMC):** Formulates academic roadmap and budgetary priorities.
- **Internal Quality Assurance Cell (IQAC):** Coordinates NAAC cycle benchmarking, AQAR submissions, and faculty development.
- **Internal Complaints Committee (ICC / POSH):** Gender sensitization and statutory anti-harassment redressal.
- **College Examination Committee:** Oversees conduct of ISA and SEE semester examinations.

2. Institutional Collaborations & MoUs

Endpoint: `/institutional/mous`
Tracks 10 active bilateral Memoranda of Understanding with industry partners, statutory bodies, and academic networks:

Partner Organization	Scope of Collaboration	Validity	Operational Status
Goa Chamber of Commerce & Industry (GCCI)	Industry internships, entrepreneurial mentoring, and guest lectures.	2024–2029	Active
Goa University	Curriculum design, university research coordination, and faculty exchange.	2022–2027	Active
National Institute of Securities Markets (NISM)	Financial markets certification, investor education workshops for B.Com.	2023–2026	Active

Partner Organization	Scope of Collaboration	Validity	Operational Status
Confederation of Indian Industry (CII)	Skill enhancement, executive training, campus placement pipelines.	2024–2027	Active

3. Extension & Community Outreach

Endpoint: `/institutional/extension`
Documents community outreach programmes under the **National Service Scheme (NSS)**, **National Cadet Corps (NCC)**, and **Unnat Bharat Abhiyan**. Covers coastal cleanliness drives, village development in North Goa, and annual blood donation camps.

4. Academic Laurels, University Rankers & Placements

Endpoint: `/institutional/achievements`
Public recognition ledger celebrating University Gold Medalists, Goa University First Rankers, campus placements with major corporates (Deloitte, HDFC Bank, TCS), and inter-collegiate sports champions.

CHAPTER 04: ACADEMIC STRUCTURE & CURRICULUM SETUP

4.1 Programme Classification (Class Types)

The academic core is structured according to Goa University's CBCS and NEP 2020 frameworks. Every class belongs to one of four Class Types configured in the system:

Code	Programme Type	Description	Annual Tuition Tier
`BC`	**B.Com.**	Bachelor of Commerce (3-Year Degree / 4-Year Honours NEP FYUGP)	₹ 2,000
`BE`	**B.A.B.Ed.**	4-Year Integrated Bachelor of Arts & Bachelor of Education	₹ 6,000
`PG`	**Post-Graduate**	Post-Graduate Degree/Diploma Programmes (IGNOU Centre)	₹ 5,000
`VC`	**Vocational / Certificate**	Short-term skill programs (Tally ERP 9, Digital Accounting, GST)	₹ 2,000

4.2 Active Classes & Divisional Sections

The system models 7 core classes across the undergraduate and integrated teacher education wings, subdivided into academic divisions:

- **F.Y.B.Com. (First Year B.Com.):** Divisions A, B, C, D (Accountancy, Costing, Banking streams).
- **S.Y.B.Com. (Second Year B.Com.):** Divisions A, B, C.
- **T.Y.B.Com. (Third Year B.Com. Final):** Divisions A (Advanced Accounting), B (Cost Management).
- **F.Y.B.A.B.Ed. (First Year Integrated):** Division A (Humanities & Pedagogical Foundation).
- **S.Y.B.A.B.Ed. (Second Year Integrated):** Division A.
- **T.Y.B.A.B.Ed. (Third Year Integrated):** Division A.
- **4th Year B.A.B.Ed. (Graduating Year):** Division A (School Internship & Methodology).

4.3 Subject Cataloging & Faculty Assignment

Subjects are added under `Academic > Subjects`. When creating a new subject, ensure you provide:

1. **Subject Name:** e.g., *Financial Accounting - I*, *Pedagogy of English*.
2. **Subject Code / Slug:** e.g., `FA-1`, `PED-ENG` (used in tabulation sheets).
3. **Assigned Class:** The specific class level (e.g. F.Y.B.Com.).
4. **Course Instructor:** Select the faculty member responsible for mark entry.

CHAPTER 05: STUDENT LIFECYCLE & ENROLLMENT MANAGEMENT

5.1 Admitting a New Student

Superusers and Administrators can admit students via `Students > Admit Student`. The student admission form is divided into three sections:

Mandatory Admission Fields

- **Personal Identity:** Full Name (as per SSC/HSSC Certificate), Gender, Date of Birth, Blood Group.
- **Institutional Registration:** Admission Number (e.g., `VPC/2026/001`), University PRN.
- **Academic Placement:** Class (e.g., F.Y.B.Com.), Section / Division (Div A), Academic Year.
- **Parent / Guardian Details:** Father's/Mother's Name, Phone Number, Residential Address.
- **Passport Photograph:** Upload a clear passport-style JPG/PNG image (max 2MB).

5.2 Student Promotion Workflow

At the conclusion of each academic year, students are promoted to their next semester or graduating class via `Students > Student Promotion`:

1. Select the **Current Session** (e.g., 2026-2027) and **Class** (e.g., F.Y.B.Com.).
2. Review each student's academic standing (Pass / ATKT / Repeat).
3. Select the **Target Class** (e.g., S.Y.B.Com.) and target Section.
4. Click **Promote Students** to execute the batch promotion.

CHAPTER 07: EXAMINATION, CBCS GRADING & MARKSHEET PUBLISHING

7.1 Goa University CBCS 10-Point Grading Scale

VPCCECM follows the Goa University Choice Based Credit System (CBCS). The grading scheme is configured in the ERP database under `Grades`:

Grade Letter	Qualitative Description	Grade Point	Percentage Range
O	Outstanding	10	85% – 100%
A+	Excellent	9	75% – 84%
A	Very Good	8	65% – 74%
B+	Good	7	55% – 64%
B	Above Average	6	50% – 54%
C	Average	5	45% – 49%
P	Pass	4	40% – 44%
F	Fail / Re-appear	0	Below 40%

7.2 Continuous Internal Assessment (ISA) & SEE Mark Entry

Faculty members enter marks via `Exam Management > Manage Marks`. For each student, the system records:

- **ISA 1 (Intra-Semester Assessment 1):** 10 / 15 Marks (Written Test / Project).
- **ISA 2 (Intra-Semester Assessment 2):** 10 / 15 Marks (Assignment / Seminar presentation).
- **SEE (Semester End Examination):** 60 / 80 Marks comprehensive written examination.

7.3 Generating Official College Marksheets

When all marks are recorded and finalized:

1. Navigate to `Exam Management > Marksheets`.
2. Select the Student, Exam Session, and Class.
3. Click **Print Marksheet**. The system generates an official A4 document featuring:
   - Official circular VPCCECM emblem in the top left header.
   - Institution title: *Vidya Prabodhini College of Commerce, Education, Computer and Management*.
   - Watermarked background crest at 20% opacity.

- Subject-wise marks breakdown, GPA calculation, class rank, and remarks.
- Official signature lines for Class Teacher, Examination Controller, and College Principal.

> **The Master Exam Lock Safeguard**
>
> To prevent unauthorized grade tampering post-publication, Super Administrators can lock mark modification across the entire portal:
> Navigate to `Settings > Lock Exam` and toggle to **Yes (1)**. Once locked, faculty cannot alter any submitted marks without Super Admin authorization.

CHAPTER 08: FINANCIAL ADMINISTRATION & STUDENT FEE MANAGEMENT

8.1 Fee Architecture in Indian Rupees (₹)

All fee records, invoices, ledgers, and payment receipts operate exclusively in **Indian Rupees (INR / ₹)**. Annual tuition fees are categorized by programme code:

- `next_term_fees_bc` : ₹ 2,000 (B.Com. Annual Tuition)
- `next_term_fees_be` : ₹ 6,000 (B.A.B.Ed. Annual Tuition)
- `next_term_fees_pg` : ₹ 5,000 (IGNOU Post Graduate Center Fee)
- `next_term_fees_vc` : ₹ 2,000 (Vocational & Skill Certificate Fee)

8.2 Recording Payments & Generating Official Receipts

When a student pays their college dues:

1. Navigate to `Payments > Manage Payments`.
2. Locate the student by Name or Admission Number.
3. Click **Pay**, enter the amount tendered (₹), payment method (Cash / UPI / Bank Transfer), and reference note.
4. Click **Submit Payment**.
5. Click **Print Receipt**. The system renders an official Payment Receipt featuring:
    - VPCCECM Institutional Seal and address details.
    - Unique **Receipt Reference Number** (e.g., `PAY-REC-2026-0042`).
    - Amount Paid in Indian Rupees (₹), Cleared Status, or Outstanding Balance.
    - Student's passport photo and admission details.

CHAPTER 09: LIBRARY AUTOMATION & RESOURCE CIRCULATION

9.1 The Central Library Repository

The college library holds over 12,000 physical volumes and subscribes to N-LIST / INFLIBNET consortia. The ERP system automates the circulation desk:

- **Book Inventory:** Accession number, title, author, publisher, subject classification, shelf location.
- **Circulation Desk:** Issue book to student/staff barcode, set due date (default: 14 days), manage returns.
- **Student Book Requests:** Students can log into their self-service portal to reserve available titles.

CHAPTER 10: SUPERUSER GLOBAL SETTINGS & INSTITUTIONAL BRANDING

10.1 System Configuration Console

Superusers can reconfigure institutional metadata at any time by navigating to `System Settings` (URL: `/super_admin/settings`):

Configuration Key	Database Value	Functional Description
`system_title`	`VPCCECM`	Abbreviated acronym displayed in headers and browser tabs.
`system_name`	Vidya Prabodhini College of Commerce, Education, Computer and Management	Full institutional title rendered on marksheets, receipts, and footers.
`current_session`	`2026-2027`	Active academic year filter applied to all student records.
`term_begins`	`15/06/2026`	Official commencement date of the academic calendar.
`term_ends`	`30/04/2027`	Conclusion date of the academic session.
`address`	Vidya Nagar, Alto, Parvari (Porvorim) - Goa, PIN: 403521	Physical institutional address rendered on all formal printouts.
`system_email`	`info@vidyaprabodhinicollege.edu.in`	Primary administrative communications address.
`logo`	`/assets/images/college_emblem.png`	Path to official circular college crest used across documents.

10.2 System Attribution & Architect Footprint

The portal maintains developer attribution honoring **Nilesh Waradkar** across all public and internal interfaces:

- **HTML Metadata:** `<meta name="author" content="Nilesh Waradkar">`
- **Authentication Footer:** *© 2026. Vidya Prabodhini College of Commerce, Education, Computer and Management by Nilesh Waradkar*
- **Dashboard Footer:** Fixed attribution banner across all internal screens.

CHAPTER 11: DATABASE ADMINISTRATION & DISASTER RECOVERY

11.1 SQLite Storage & Hot Backup

The production database resides in a single, high-performance file:
`D:\Nilesh W\database\database.sqlite`

Recommended Daily Backup Routine:

```
# Copy active database to secure timestamped archive $timestamp = Get-Date -Format "yyyyMMdd_HHmmss"
Copy-Item "D:\Nilesh W\database\database.sqlite" "D:\Nilesh W\database\backup_$timestamp.sqlite"
```

11.2 Emergency Factory Reset & Re-seeding

In the event of an environment corruption or demonstration reset, execute the automated seeding pipeline:

```
$env:Path = "D: ools\php8;" + $env:Path php artisan migrate:fresh --seed
```

CHAPTER 12: TROUBLESHOOTING, FAQ & TECHNICAL SUPPORT

12.1 Common Runtime Diagnostics

Symptom	Underlying Cause	Standard Resolution Protocol
Page Expired (419 Error)	CSRF security token expired due to browser inactivity.	Refresh page (`F5`), re-submit form. Ensure session cookie is accepted.
Logos Not Visible	Browser asset cache holding older template assets.	Press `Ctrl + F5` to force reload images. Verify image files exist in `public/assets/images/` .
Port 8000 Already in Use	Another artisan instance is running in background.	Run `Get-Process -Name php | Stop-Process` and restart `php artisan serve --port=8000` .
Cannot Edit Marks	Examination lock flag is active.	Check `super_admin/settings` and verify `lock_exam` is set to `0` .
