Institutional Data Extraction and Information Architecture Blueprint for Vidya Prabodhini College of Commerce, Education, Computer and Management

Executive Architectural Synthesis and Institutional Identity

Developing a comprehensive School and College Management System (CMS/ERP) for Prabodhan Education Society's Vidya Prabodhini College of Commerce, Education, Computer and Management (VPCCECM) requires an information architecture capable of supporting a dual-mandate higher education institution[1]. Unlike conventional single-stream colleges, VPCCECM operates at the intersection of general undergraduate commerce education—governed by the National Education Policy (NEP) 2020 and Choice Based Credit System (CBCS) frameworks of Goa University—and specialized four-year integrated teacher education (B.A.B.Ed.), which is strictly regulated by the National Council for Teacher Education (NCTE)[3]. Established in 2012 with the three-year B.Com. degree and expanded in the 2015–2016 academic year with the introduction of the Four-Year Integrated B.A.B.Ed. programme, the institution has evolved into a multidisciplinary hub that also hosts an Indira Gandhi National Open University (IGNOU) study center accommodating over 300 postgraduate learners alongside its 681 undergraduate students[1]. Consequently, any relational database schema or web portal input form designed to replicate and manage this institution must accommodate bifurcated academic calendars, distinct credit and fee structures, multi-tiered faculty appointment categories (full-time regular, contractual, and lecture-basis), and mandatory regulatory disclosure repositories for NAAC, IQAC, NIRF, and NCTE[1].

An examination of the live production environment (https://vidyaprabodhinicollege.edu.in/) reveals a WordPress-based Content Management System developed and maintained by Demerg Systems India, supplemented by an internal Activity Management System (/ams/) and external state-level e-governance integrations[1]. Rather than executing admissions, learning management, and library cataloging within a single monolithic database, the college operates a federated digital ecosystem[1]. Undergraduate admissions are routed through the Directorate of Higher Education (DHE) Samarth Goa Portal (https://goaadmission.samarth.ac.in/), academic and administrative workflows interface directly with the DHE Integrated Academic Information Management System (IAIMS), library automation operates on the KOHA Integrated Library Management System (ILMS) paired with Digital Tap-In biometric attendance, and campus-wide surveillance and NIPUN portal logins provide localized administrative control[1]. Furthermore, the

Institutional Perspective Plan outlines a forward-looking digital roadmap that includes expanding the computer laboratory to 50 terminals, deploying dedicated software for event proposals, reporting, and curriculum vitae (CV) updating, and establishing an audio-visual e-content development studio[12]. When migrating institutional data into a Microsoft Word master document or seeding a custom school management website demo, system architects must preserve both these static institutional records and the external portal handoff endpoints[1].

Visual Assets, Logos, and Homepage UI Components

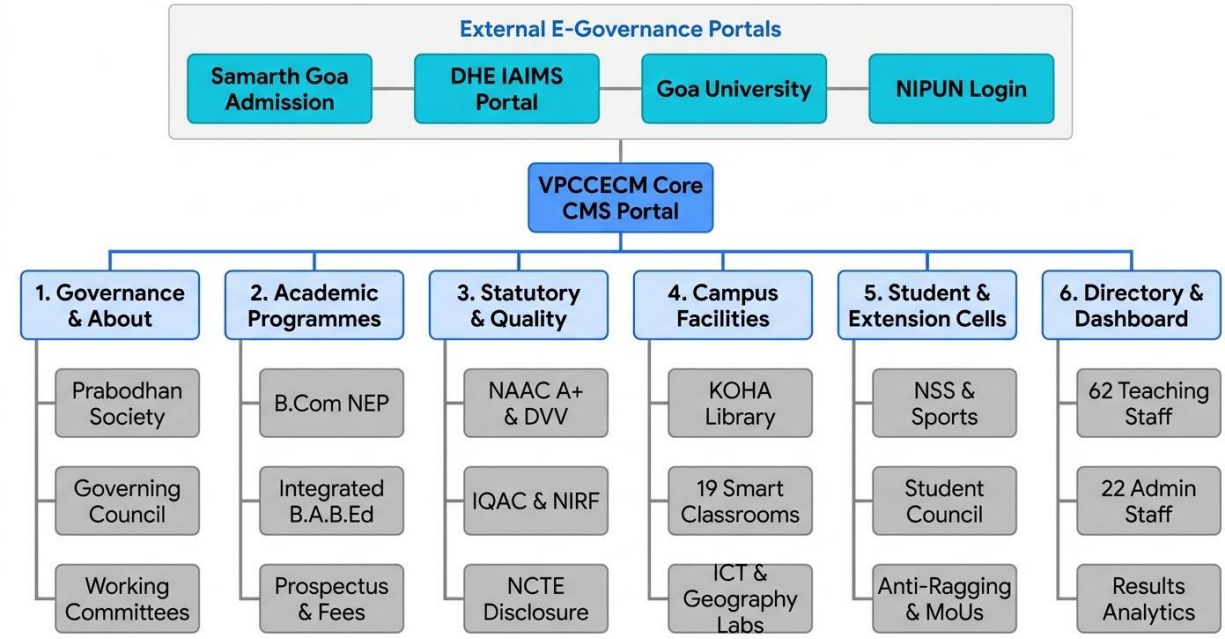

To replicate the visual branding and user interface of the college on a demo portal, developers must configure the top utility header, main navigation bar, notification ticker, editorial desks, and WordPress media endpoints (https://vidyaprabodhinicollege.edu.in/wp-content/uploads/)[1]. Because the college's WordPress theme renders the institutional crest and emblem dynamically within the header template and official PDF mastheads (such as the college miscellany *Sarvottam*, prospectus files, and the *Prabodhan Journal* copyright form), the institutional emblem features the Sanskrit motto *Vidya Sarvasya Bhushanam* (&& विद्या सर्वस्य भूषणम् &&) paired with the Prabodhan Education Society header and NAAC Grade 'A+' accreditation badge[1]. Furthermore, under the college's Memorandum of Understanding with environmental partner Dhavrukh, institutional event banners also incorporate partner logos across online and offline outreach materials[19].

The homepage (https://vidyaprabodhinicollege.edu.in/) is structured into five distinct visual and functional zones[1]. At the top of the viewport, the utility bar houses accessibility controls for font-size scaling (-A, A, +A) and high-contrast mode, alongside direct external links to Samarth Goa Admission 2026–27, College Prospectus 2026–27, DHE Goa, DHE IAIMS, Goa University, Dishtavo Goa, and the NIPUN portal login[1]. Immediately below the primary navigation menu, a dynamic notification ticker scrolls urgent admission and procurement alerts, including the First Year B.Com. Admission Merit List 2026–27, the First Year B.Com. Waiting List 2026–27, the College Prospectus 2026–27, and online e-tender notifications under the PM-USHA Scheme[1]. The central body of the homepage features a hero welcome banner ("Welcome to Vidya Prabodhini College"), a live Announcements feed publishing semester examination timetables (such as Revised Semester V and VII B.A.B.Ed. schedules and NEP/CBCS Semester I, III, V, and VI B.Com. Semester End Assessment schedules), and two executive editorial columns[1]. The "From Chairman's Desk" column by Shri. Sanjay P. Walavalkar expounds upon the motto विद्या विनयेन शोभते (the value of knowledge derives from humility, respect, patriotism, and social welfare), while the "From Principal's Desk" column by Prof. (Dr.) Bhushan V. Bhave welcomes students to the *Prabodhan Parivar* (also referred to as the *VPC Parivar*)[1]. The lower viewport displays the Awards & Recognition counter, Student Achievements slider, Campus Placement showcase, Facility cards, and the global footer containing the physical address, visitor hit counter, and Demerg Systems India attribution[1].

Complete Website Sitemap and 48-Page Content Architecture

To fulfill the requirement of traversing the institutional sitemap across 32 to 50 distinct pages for CMS input form population, the following master inventory catalogs **48 verified production URLs** organized into six functional clusters: Core Navigation & Governance, Academic Programmes & Admissions, Quality Assurance & Statutory Compliance (NAAC/DVV/NIRF/NCTE), Student Support & Campus Facilities, Research & Extension Cells, and

Directory/System Endpoints[1]. This architecture reflects how the college separates day-to-day academic announcements from permanent accreditation evidence required by the University Grants Commission (UGC) and NCTE[7].

Institutional Governance, Parent Society, and

Statutory Committees

To populate the "About Us," "Management," and "Committees" modules of the school management website, the underlying database must model a three-tier governance hierarchy: the parent trust (**Prabodhan Education Society**), the statutory oversight bodies (**Governing Council, College Advisory Committee, and Local Managing Committee**), and the specialized operational cells (**Industry Academic Interface Committee** and **Working Committees**)[2].

Parent Body: Prabodhan Education Society and Sister Institutions

Established over three decades ago, Prabodhan Education Society administers an educational ecosystem of **11 institutions** across Parvari (Porvorim), Pomburpha, and Salvador-Do-Mundo in Goa, spanning pre-primary, primary, secondary, higher secondary, vocational, and higher education[2]. The Society's educational philosophy prioritizes open access at the primary and secondary levels—admitting students without a minimum percentage barrier while consistently achieving merit-list results—and cultivating parent-teacher synergy through the *Prabodhini Pariwar Palak Shikshak Sangha* (PTA)[13]. Every institutional activity is structured to foster national pride, inculcate patriotism, and preserve *Bharatiya* cultural identity[2].

The historical roster of **31 Founders, Promoters, and Society Members** documented on the institutional About Us page comprises Shri. Prabhakar Narayan Bhate (former Chairman), Shri. Datta Bhikaro Naik, Shri. Vithal Dattatraya Nadgauda, Sou. Smita Sayajirao Sardesai, Shri. Vasudev Ganesh Manerikar, Shri. Gajanan Narayan Kapadi, Shri. Madhav Bhalchandra Kelkar, Sou. Vrunda M. Vision, Mission, Core Values, and Pedagogical Objectives

In the CMS "Vision & Mission" content block, the overarching **Vision** is encapsulated in the phrase *"Excellence Everywhere, Every Time,"* while the **Mission Statement** is defined verbatim as: *"To create and develop a quality learning environment through the integration of conceptual knowledge, application of skills, basic human values and field realities, thereby nurturing competent, value based and resourceful citizens, who selflessly contribute to Nation Building by serving the nation above self."*[2]

This mission is operationalized through **14 Institutional Objectives** and **16 Core Values** that govern curriculum delivery, research, and community extension[25]:

Pedagogical & Operational Objectives (14)	**Institutional Core Values (16)**
1. Design and develop skill-based and practical-oriented curriculum[25].	1. Providing *Sanskarmai Shikshan* through Value and Culture-based education[28].
2. Increase students' learning through classroom teaching-learning processes[25].	2. Promoting Creativity and Innovation[28].
3. Inculcate basic human values in students through curriculum[25].	3. Providing a Quality Learning Environment[28].
4. Develop application-oriented students' performance evaluating mechanisms[25].	4. Ensuring a Holistic Education[28].

5. Promote teaching of topics of current relevance beyond the syllabus[25].	5. Having Quest for Excellence[28].
6. Promote a research culture and spirit of inquiry among teachers and students[25].	6. Commitment and Dedication[28].
7. Develop abilities and competencies in research through workshops and training programmes[25].	7. Imbibing National Values and Philosophy[28].
8. Inculcate employability skills in students and promote overall personality development[26].	8. Ensuring Welfare of the Society[28].
9. Increase placement opportunities through linkages with business houses and educational organizations[26].	9. Creating Responsible Citizenry[28].
10. Promote collaborations and interactions with industry and research institutions[26].	10. Upholding Work Ethics and Professionalism[28].
11. Sustain an Institution-Neighborhood network to enhance learning opportunities[26].	11. Inculcating basic values in students[28].
12. Promote participation of students and teachers in outreach and community development[25].	12. Fostering global competition among the students[28].
13. Seek feedback from stakeholders for the improvement of the institution's performance[25].	13. Promoting research culture and a spirit of inquiry[28].
14. Create industrial and entrepreneurial outlook for self-employment and employment generation[25].	14. Promoting use of technology; 15. Collaborating with societal stakeholders; 16. Inculcating a Scientific Temper and Spirit of Inquiry and Reform[28].

Statutory Governance Boards and Executive Committees

The effective governance of VPCCECM relies on decentralized, participative decision-making across four primary statutory and executive boards: the Governing Council (Prabodhan

Education Society Managing Committee), the College Advisory Committee, the Local Managing Committee, and the Industry Academic Interface Committee[5]. In addition, around 24% of full-time faculty members serve on Goa University Boards of Studies, the Academic Council, Central Assessment Programmes, and selection committees, directly shaping state-level curriculum policy[62].

Beyond these four governing bodies, the college constitutes specialized **Statutory and Non-Statutory Working Committees, Clubs, Cells, and Prabodhinis** to manage daily curricular and co-curricular operations[5]. These include the Handbook (Prospectus) Committee convened by Dr. Pinkesh D. Dhabolkar alongside Dr. Sangeeta R. Dessai; the Admission Committee; the College Planning Board; the Internal Quality Assurance Cell (IQAC), which comprises a Faculty Secretary and Joint-Secretary and convenes 8 formal meetings per academic year; the Research and Development Cell (RDC) headed by a doctorate-holding Convenor; the Student's Council Committee coordinated by Ms. Yogita Gauns (gaunsyogi@gmail.com, +91 8975685519) and Co-coordinator Dr. Shailesh G. Chodankar; the Women's Cell and Gender Champion Club (headed by a woman Presiding Officer); the Scholarship & Freeship Committee; the Magazine Committee (*Sarvottam*); the Study Circle; the Theatre Club; the Nisarg Club; the Red Ribbon Club (RRC); and the Anti-Ragging Committee (ARC) and Squad (ARS) chaired by Principal Dr. Bhushan V. Bhave[2].

Complete Human Resource Directory: Faculty and Staff Profiles with Media URLs

A foundational requirement for populating the school management website is the comprehensive extraction of teaching, physical education, library, and non-teaching administrative staff, including their academic qualifications, specializations, contact emails, profile slugs, and direct image URLs[6]. While the homepage summary counter displays **62 Teaching Staff** and **22 Non-Teaching Staff**[1], cross-referencing the live WordPress directory (/faculty/, /997-2/, /b-a-b-ed/, /bab-ed/), the B.Com. subject allocation records (1.pdf), and the mandatory NCTE Human Resource disclosure (Human-resource-VPCCECM-2023.pdf) yields **78 distinct personnel profiles** across regular, contractual, lecture-basis, and historical cohort appointments[3]. The institution's investments in faculty recruitment and retention have progressively improved the full-time teacher-to-student ratio from 1:32 in 2012 to 1:19, while maintaining a 1:22 mentor-to-mentee ratio across the student body[62].

Academic Programmes, Course Curriculum, Subject Allocations, and Fee Structure

The Academic Management module of the website must support two distinct undergraduate degree tracks (**B.Com.** and **B.A.B.Ed.**), an IGNOU postgraduate study center, and short-term skill development certificate courses[3].

Bachelor of Commerce (B.Com.) – NEP 2020 and CBCS Framework

The Bachelor of Commerce (B.Com.) degree is governed by Goa University Ordinance **OC-66** under the Choice Based Credit System (CBCS) and transitioned to the **National Education Policy (NEP) 2020 Undergraduate Curriculum Framework** starting in the 2023–2024 academic year[3]. Structured across 6 semesters (3 years), the programme requires students to complete a minimum of **132 credits** (or **148 credits** under the expanded NEP Honours/Research framework) for degree conferral[3]. Within the university's pedagogical accounting system, 1 credit equates to **15 clock hours** of theory instruction (delivered in 1-hour lecture periods) or **15 practical classes** (delivered in 2-hour laboratory sessions) per semester, with each credit carrying a maximum assessment weightage of **25 marks**[3]. Candidates seeking admission to Semester I must have passed the Higher Secondary School Certificate (H.S.S.C. / Std. XII) examination in Commerce, Arts, or Science from the Goa Board or an equivalent recognized board[3]. Students admitted to Semester I automatically qualify for progression to Semester II, while lateral migration into Semester II from another recognized university is permitted if the candidate has cleared Semester I with the requisite core subjects and undertakes to complete any remaining compulsory courses[3]. In the Third Year (Semesters V and VI), students select one of three Discipline Specific Elective (DSE) specializations—

Accounting, **Costing**, or **Business Management**—and complete a mandatory 4-credit research project paper (UCOP101)[3].

Four-Year Integrated B.A.B.Ed. Programme

Introduced in the 2015–2016 academic year to attract vocationally inclined youth directly after higher secondary schooling into the teaching profession, the Four-Year Integrated Bachelor of Arts and Bachelor of Education (**B.A.B.Ed.**) programme is approved by the NCTE and the Government of Goa and affiliated with Goa University under Section 24(1) of the Goa University Act, 1984[4]. Governed by Goa University Ordinance **OC-54**, the programme spans 8 full-time semesters under the Faculty of Education **without any lateral exit option**[4]. Graduates are awarded a single combined degree of B.A.B.Ed. (rather than separate B.A. and B.Ed. certificates), which provides vertical mobility toward both Master of Arts (M.A.) and Master of Education (M.Ed.) degrees[4]. Under Ordinance OC-54, the courses in Education, Environmental Studies, and Practicum carry 50 marks each[68].

The curriculum integrates core liberal arts disciplines—Languages (English, Hindi, Marathi, Konkani) and Social Sciences (History, Geography, Political Science, Economics)—with specialized pedagogical methodology courses, Fine Arts, Performing Arts, Physical Education, Work Experience, Health Education, and Working with the Community[4]. Because the programme is a full-day professional training track, campus instruction runs Monday through Saturday from **8:30 AM to 5:00 PM**, supplemented by mandatory micro-teaching, peer teaching, field excursions, and extensive practice-teaching internships at partner secondary

high schools across Goa[4]. Admission is strictly merit-based for a sanctioned intake of **100 seats** per year, coordinated through the NCTE entrance test and the DHE Samarth Goa admission portal, and requires a minimum of **50% marks** in the Std. XII (10+2) examination of the Goa Board or an equivalent board (with Government of Goa category reservations applied)[4]. During the physical counseling and admission verification process, the presence of a parent or guardian is mandatory[4].

Postgraduate IGNOU Centre, Short-Term Certificate Courses, and Fee Structure

In addition to its undergraduate offerings, VPCCECM operates a thriving IGNOU Study Centre offering postgraduate degrees in **M.A. in Rural Development** and **M.Sc. in Geography**, which recorded an enrollment exceeding **300 postgraduate students** during the 2024–2025 academic year[5]. To bridge the gap between academic theory and industry requirements, the college also administers short-term skill-based certification programs[2]. A flagship example is the **30-hour Certificate Course in Tally ERP 9 with GST**, conducted in the afternoon within the college ICT Lab in partnership with Xanthus Institute / Tally Institute of Learning (TIL)[16]. Requiring a minimum batch size of 20 to 25 students and 70% minimum attendance for an online exam and a Tally Digital Verifiable Certificate, the course charges **Rs. 2,000 per student** (comprising Rs. 1,200 toward certification fees, Rs. 500 toward trainer honorarium, and Rs. 300 toward college laboratory and infrastructure utilization, totaling Rs. 50,000 in budgeted revenue and expenditure for 25 trainees)[16]. Other documented short-term and capacity-building programs include the Certificate Course on "Financial in Digital Era" (February 2026), the "Sutrasanchalan Certificate Course in Hindi", the "Certificate Course in Indian Financial Market and Financial Service" (with the BSE Institute), faculty development programs on Tally Prime & GST, and a 5-day training course for 25 non-teaching staff titled "Understanding Workplace Rules, Professional Practices, and Personal Empowerment" led by Head Clerk Shri. Rajaram S. Sandye, UDC Shri. Siddhesh R. Naik, and Asst. Prof. Shri. Saish S. Nayak Dalal (budgeted at Rs. 4,500 in honoraria and Rs. 4,000 in refreshments)[5].

Financial administration across both degree streams follows Goa University and Government of Goa fee directives, with full refunds (less permissible university deductions) granted if a student notifies the Principal in writing of admission cancellation prior to the commencement of the term[3]. Deserving students are supported by the Scholarship & Freeship Committee, which facilitates access to the **PM-Vidya Laxmi Scheme**—providing collateral-free and guarantor-free education loans—and the PM-USP Central Sector Interest Subsidy scheme for students whose annual family income does not exceed **Rs. 4.5 Lakh**[71]. The comparative programme parameters, mandatory admission documents, and annual tuition fee tiers extracted from Admn-Fee-Structure-23-24-1.pdf are consolidated below[3].

Campus Infrastructure, Library Automation, and IT Specifications

For the "Facilities" and "Infrastructure" database tables, the college's NAAC Criteria IV and infrastructure portals document a self-owned **7,904 sq. meter** academic building accompanied by a **4,670 sq. meter** outdoor playground (also referenced as 4,000+ sq. meters in general overviews)[2]. Budgetary provisions for physical asset maintenance are drawn from non-salary government grants and earmarked student fees (Library, Computer Lab, and Gymkhana), while daily sanitation is executed by the 7 Multi-Tasking Staff (MTS) and a dedicated daily-wage washroom attendant under the daily inspection of the Office In-Charge[29]. Furthermore, in alignment with its Green Campus mandate, the college enforced a strict ban on single-use plastics (bottles, cutlery, bags, and packaging) on August 24, 2021, and mandated duplicate-only official correspondence printing (eliminating third/master paper copies) starting in the 2022–2023 academic year[72].

Library Discipline Policies and Subject-Wise Digital E-Resource Repositories

Access to the College Library (https://vidyaprabodhinicollege.edu.in/college_library/) requires a valid College Identity Card and mandatory biometric entry at the entrance[11]. Library discipline regulations strictly prohibit mobile phone usage, group discussions, shifting chairs, eating, drinking, sleeping, or leaving personal bags overnight; all personal baggage must be deposited in the designated luggage area[11]. Users are instructed to leave books removed from shelves on the nearest reading table rather than reshelving them personally, under the guiding principle that *"a book misplaced is a book lost."*[11] Reference works—including encyclopedias, handbooks, dictionaries, newspapers, and bound journals—are restricted to in-library consultation, although an overnight reference lending facility is extended when required[11]. To support digital research across all taught subjects, the library portal curates seven discipline-specific external e-resource clusters: **Marathi** (Marathi Poetry portal), **Hindi** (Hindi Literature and *Hindi Samay*), **Konkani** (Online Konkani Language Resources Dictionary), **Geography** (Human Geography portal), **Economics** (The World Bank, World Trade Organization, Reserve Bank of India, International Monetary Fund, Asian Development Bank, International Labour Organization, and Centre for Monitoring Indian Economy), **Mathematics** (MathGuide, S.O.S. Mathematics, and Electronic-Statistics Textbook), and **Commerce** (ICAEW Accountancy and Finance, International Accounting Standards Board, All Indian Taxes, and The Institute of Chartered Accountants of India)[11].

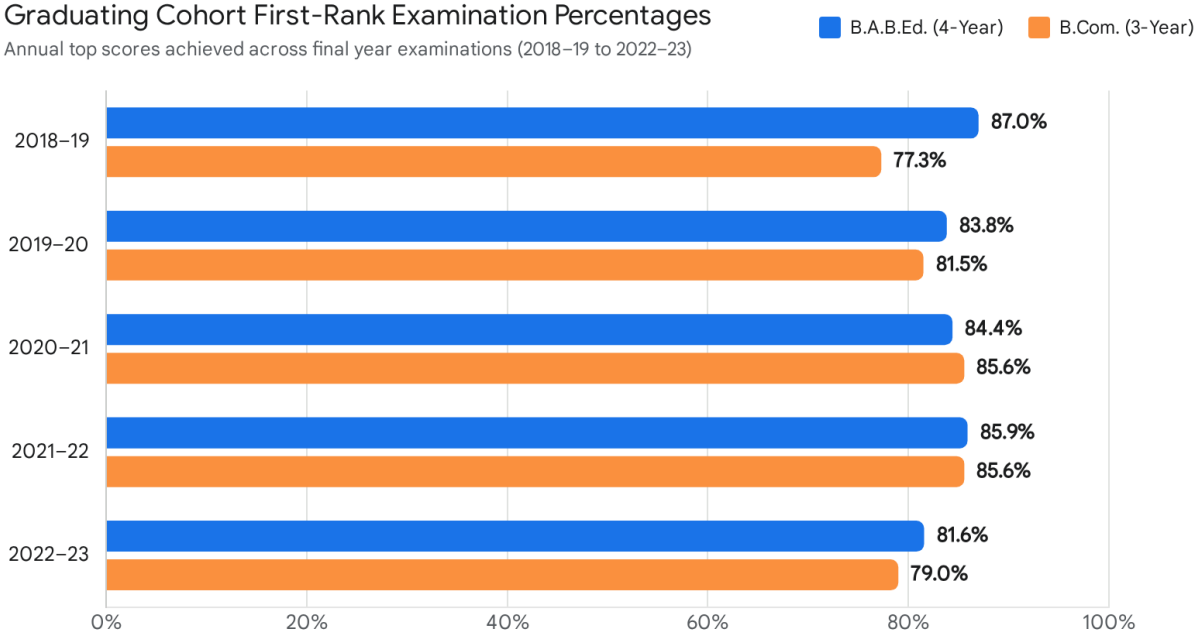

Student Achievements, Sports Laurels, Placement Records, and Extension Activities

To populate the "Achievements," "Placements," "Sports," "NSS," and "MoU" sections of the school management system, the following verified records capture the institution's academic rankers, athletic champions, corporate recruiters, and external partnerships[1]. Through remedial instruction for slow learners and specialized mentorship for advanced learners, the college maintains an overall student passing average of **93%**[62].

Top University Rankers Consistently Score Above **81% in B.A.B.Ed.** and Up to **85.58% in B.Com.**

National Service Scheme (NSS), Cultural Events, and Extension Log

Implemented right from the college's inception, the National Service Scheme (NSS) comprises **3 fully functional units** of **100 volunteers each** (300 total volunteers), led by trained NSS Programme Officers and equipped with a self-sufficient inventory of camping and community-service tools to conduct Annual Special Camps for up to 150 volunteers[49]. Across the institution, 41.66% of students actively engage in extension work through the NSS and Nisarg Club[62]. Formally launched on **September 24, 1969** (the birth centenary year of Mahatma Gandhi) and celebrated annually on September 24 as NSS Day, the movement is represented by the Konark Sun Temple chariot wheel embossed on the NSS badge, signifying continuity, change, and social upliftment[54]. Regular NSS activities require 70 hours of

community service in adopted villages and urban slums alongside national day observances, culminating in prestigious recognitions such as the Best All-Round NSS Volunteer of the College Award and Indira Gandhi NSS Awards[54]. For the CMS content block, the official NSS Song lyrics published on /nss/ read: *"Uthen Samaj Ke Liye Uthen – Uthen, Jagen Swarashtra Ke Liye Jagen – Jagen. Swayam Saje Vasundhara Sanwar Den-2. Hum Uthen – Uthega jag Hamare Sang Sathiyo Hum Badhen to Sab; Badhenge Apne Aap Sathiyo. Jamin Pe Aasmann Ko Utar Den – 2 Swayam Saje Vasundhara Sanwar Den – 2. Udasiyon Ko Door Kar Khushi Ko Bantte Chalen. Gao Aur Shahar Ki Duriyo Ko Patte Chalen. Gyan Ko Prachar De Prasar De Vigyan Ko Prachar De Prasar Den. Swayam Saje Vasundhara Sanwar Den – 2. Samarth Bal Varidh Aur Nariyan Rahen Sada. Hare Bhare Vano Ki shaal oudhati Rahe Dhara. Swyam Saje Vasundhara Sanwar Den – 2."*[54]

Alongside NSS outreach, the Student Council, Women's Cell, and Academic Departments organize flagship cultural and scholarly events, including *Srujanotsav*, the inter-collegiate *Meteora* festival, *Ghumatnad*, *Pustakacha Palikadchya Goshti*, *Converge 2.0*, a National Seminar on *Ram Sahitya*, a state-level conference with GCCI on *"Bridging the Gap: Fostering Industry-Academia Interface in Goa,"* a DHE workshop on *"Beyond the Facade: Recognising and Avoiding Deceptive Academic Practices,"* and a Research Workshop with the Goa State Research Foundation (GSRF)[5]. Database Schema and Input Form Mapping Guide for CMS Implementation

To transfer this comprehensive institutional dataset into a Microsoft Word master specification or seed it directly into a custom School Management System relational database (such as MySQL or PostgreSQL), system engineers should normalize the extracted data across **seven core relational entities**[1]. Structuring the input forms according to the schema below ensures full compatibility with the college's existing WordPress directory slugs, NCTE Clause 7(14) and 8(14) financial and human resource disclosures, and NAAC Data Validation and Verification (DVV) audit trails[7].

Table Name (Entity)	Primary Key (PK) & Foreign Keys (FK)	Core Input Form Columns & Data Types	Mapped Institutional Data & External Endpoints
institution_master	inst_id (PK)	society_name, college_name, est_year_bcom, est_year_babed, motto_sanskrit, tagline, address, phone, fax, email_info, naac_grade, naac_cgpa, nirf_band, antiragging_tollfree (VARCHAR / TEXT)	Seeds the 16 executive attributes, Mission Statement, 14 Objectives, 16 Core Values, and Anti-Ragging Helpline (1800-180-5522, helpline@antiragging.in, UGC Monitoring Agency Centre for Youth antiragging@c4yindia.org)[1].
governance_committees	member_id (PK), board_id (FK)	board_name, member_full_name, committee_role,	Stores the 11 sister institutions, 31 founding

		external_affiliation, is_ex_officio (BOOLEAN), meeting_frequency (INT)	promoters, and 49 member records across the Governing Council, College Advisory Committee, Local Managing Committee, and Industry Academic Interface Committee, plus IQAC (8 meetings/year)[2].
staff_directory	staff_id (PK), dept_id (FK)	salutation, full_name, designation, department, appointment_type (Regular, Contractual, Lecture Basis), qualifications, specialisation, interests, email, phone, gross_salary, profile_url, photo_url	Stores all **78 extracted personnel records** across Executive Leadership, B.Com., B.A.B.Ed., Sports, Library, ICT, Clerical, and MTS rosters, linking directly to https://vidyaprabodhinicollege.edu.in/wp-content/uploads/... image URLs[6].
academic_courses_allocations	course_code (PK), faculty_id (FK)	programme (B.Com / B.A.B.Ed / IGNOU), semester (I to VIII), category (Major, Minor, MDC, AEC, VAC, SEC, CC, DSE, GE), course_title, credits, division (A/B),	Maps all Semester I–VI B.Com. courses (COM-100 to UCOP101), B.A.B.Ed. Ordinance OC-54 courses, division-wise faculty workload allocations, and

		annual_tuition_inr	annual tuition fees (Rs. 2,000 for B.Com. vs. Rs. 6,000 for B.A.B.Ed.)[3].
facilities_and_library	facility_id (PK), incharge_staff_id (FK)	facility_name, area_sq_meters, seating_or_unit_capacity, equipment_inventory (JSON), operating_hours, borrowing_limit, fine_tier_1_inr, fine_tier_2_inr, fine_tier_3_inr, eresource_links	Captures the 7,904 sq.m building, 19 Smart Classrooms, 35-desktop ICT Lab (250/300 Mbps broadband), Geography Lab, KOHA library (9,862 books; fines Rs. 1, Rs. 2, Rs. 5), and 7 subject e-resource URL clusters[11].
achievements_and_placements	record_id (PK), student_or_partner_id (FK)	record_type (Academic Ranker, Sports Laurel, Placement), student_name, programme_year, cohort_year, percentage_or_medal, event_or_recruiter_name, level (State/National/International)	Stores the 10 university first-rankers (2018–2023), national/state sports medalists in athletics, cricket, and chess, and corporate recruiters (TJSB Sahakari Bank Ltd., YES Bank, Wellness Forever)[1].
mous_and_extension_logs	log_id (PK), cell_id (FK)	record_category (MoU, NSS, Women Cell, Student Council), partner_or_event_ti	Stores the 14 active MoU partnerships, the 24 annual NSS/RRC/Women's Cell extension activities, and direct

		tle, date_signed_or_held, validity_period, resource_person, budget_inr, report_pdf_url	document links to NAAC SSR, DVV Criteria I–VII, NIRF 2026, and NCTE mandatory disclosures[7].
